

ROLLING
LAWN AERATOR

83983 ASSEMBLY INSTRUCTIONS

Whats in the Box?

Check all the parts are included with your rolling lawn aerator prior to assembly.

(A) Drum  QTY: 1PC.	(B) Frame  QTY: 1PC.	(C) Large washer  QTY: 2PCS.
(D) Large nut  QTY: 2PCS.	(E) Bolt  QTY: 2PCS.	(F) Small nut  QTY: 2PCS.
(G) Small washer  QTY: 2PCS.	(H) Top handle section  QTY: 1PC.	(I) Handle  QTY: 1PC.
(J) Lower handle  QTY: 1PC.		

Assembly (Fig.1 - Fig.3)

1. Remove the large nut (D) and washer (C) from the drum axle.
2. Attach frame (B) to the axle and secure on both ends using washer (C) and nut (D).

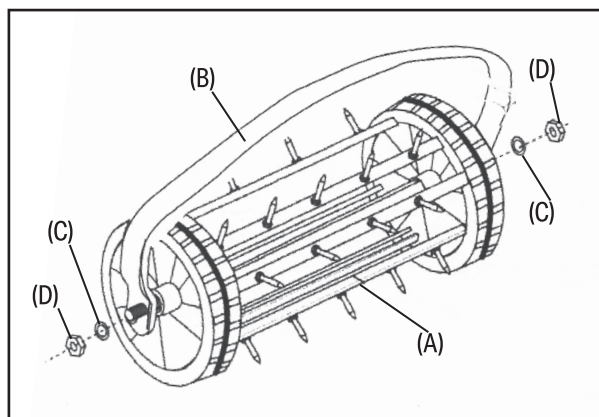

FIG.1

3. Use bolt (E), nut (F) and washer (G) to attach the frame to the lower handle section (J).

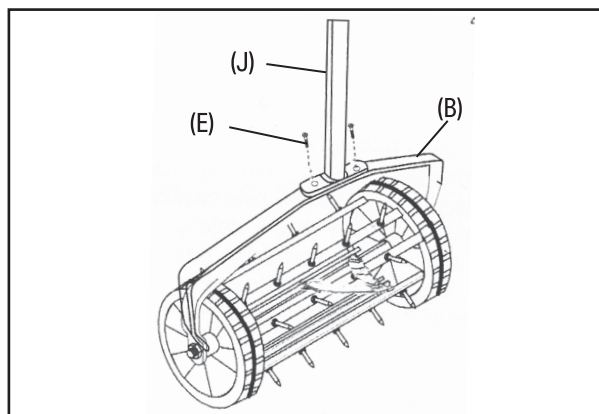

FIG.2

4. To assemble the handle, attach sections (H) and (I) to the lower handle section (J).

⚠ WARNING! DO NOT touch the metal spikes.

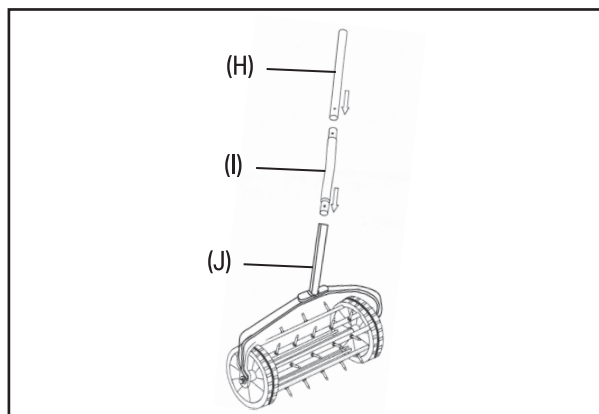

FIG.3
